

Review of sport for 2016-2017 and the impact of the sports funding

Year two swimming was very successful and all children made amazing progress in their skills and confidence. At the end of the year 25 out of the 28 children were able to swim unaided. All children by the end of the year were confident enough to jump in the pool.

All classes received high quality teaching from a coach and progress in Gymnastics and games skills was outstanding.

We took part in the golden mile scheme with Premier sport and children ran distances that were added together over the year. This improved fitness and stamina.

The following clubs were held after school :

Football club for year 2 -16 children attended

Multi-skills club for year – 17 children attended

Dodgeball club for year 1 – 18 children attended

Dodgeball club for year 2 – 14 children attended

Tennis club for year 2 – 18 children attended

Summer games club for year 1 – 20 children attended

Summer games club for Foundation -17 children attended

642 sessions were enjoyed by children across the school.

In addition we took part in four festivals with the aspire group of schools, 9 year 2's represented the school in a football tournament, 8 year 2's took part in an athletics festival, 11 year 1's took part in a multi-skills event and 8 Foundation children took part in a multi-skills event. A total of 36 children playing competitive games against other children in other schools.
