

PE and sport premium

2017-2018 at Wood End

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that the premium should be used to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years

Funding can be used to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Income £8,280 + carryover £272

Activities:	Cost
Qualified sports coach to work alongside each class teacher for one session each week from September – July, delivering Gymnastics, games and athletics and support a lunchtime activity club.	£3900
