

## Getting on and falling out 4

### Snakes and ladders

This is a special game of snakes and ladders. Sometimes being friends is tough and things can go wrong. This game helps you think about the things that make a friendship go well and those that might make it go badly.

Take it in turns to spin the spinner or throw the die. Move your counter around the board. When you land on a 'bad friend snake' it is like being eaten – your counter will need to go right to the bottom of the snake and end up on a square lower down. When you land on a 'good friend ladder' your counter can climb the ladder and get off at the square at the top.

Remember to take turns and be honest.

It feels good to win but don't forget how it feels to lose.

Good luck!

**Cut out the counters and the spinner. Make the spinner with a matchstick or pencil.**
