Learning something new

It is your challenge to teach each other something. It could be anything you like, but if you can't think of anything then here are some ideas.

- A poem or a song
- How to make something
- How to knit or crochet
- How to cook something special
- How to count up to 10 in French or another language
- How to play a playground game
- How to play a computer game
- The names of everyone in your group at school
- The names of people at work

If you like, you could draw or write about what you are going to teach each other.
